

# Your free CARE Act wallet card!

AARP Nevada fought for the Caregiver Advise, Record, Enable (CARE) Act to help family caregivers when their loved ones go into the hospital and as they transition home. We hope you will cut out the CARE Act cards below, and place them in your and your loved one's wallets. That way, you'll both have the important information about this new law available when you need it most.

## How to make your wallet cards:

1. Print this page, double sided if possible.
2. Cut your cards out.
3. If you didn't print double sided, tape front and back of cards together.
4. Laminate if desired.
5. Place cards in your and your loved one's wallets.
